Explore the Great Lake Ontario and Beyond!

SIXTY-FIVE YEARS AND COUNTING

Henderson Harbor Yacht Club was established in 1947 on the Northeastern shores of Lake Ontario. Our focus has always been on sailing and providing our members access to the beauty and convenience of Henderson Harbor.

HHYC monitors VHF Channel 16 to contact us and to support your safety as you sail in the protected waters of the bay or venture to near and distant ports on Lake Ontario and beyond. You can head south through the Oswego and Erie Canals, west to the other Great Lakes, or north through the St. Lawrence Seaway. *Explore the most beautiful sailing grounds in North America— the Thousand Islands!*

Membership in the Henderson Harbor Yacht Club provides families with a calendar full of fun and excitement.

RACING

HHYC has a full schedule of racing for all classes of boats. Both short round-the-buoy and longer races are held within the sheltered bays of Black River, Chaumont and Henderson. Races include Spinnaker and White Sail Races, Junior Races, Laser Races and Remote Sailboat Races. Children's races are also offered through the Henderson Harbor Water Sports Programs, Inc.

HHYC hosts major annual events such as the Duck Island Race and Hospice Charity Race. The club is periodic host for Eastern Yachting Circuit and a former host of the Lightning North Americans.

SOCIAL ACTIVITIES

HHYC offers a full calendar of social events featuring parties on the pier, wine tasting, family-style dinners and Friday Fish Fry. The clubhouse bar offers a cozy meeting place to replay the day's races or plan next week's cruise.

CLUBHOUSE

The clubhouse overlooks Henderson Harbor, the club dock, boat slips and mooring area. It features a bar, dining room, kitchen, sun porch, heads and hot showers. You can sit on the patio or under the large oak at picnic tables for lunch or happy hour. Relax on lawn chairs with a good book or conversation in the the warm sun or cooling breeze.

GUEST HOUSE

This charming cottage on the water front is available for members and non-members and includes access to all the club facilities and events for a modest weekly rental fee.

SAILING AND SWIM SCHOOL

The Henderson Harbor Water Sports Programs, Inc. teaches sailing and swimming to children and adults using the club facilities and a fleet of over 20 boats. The program is supported through tuition, gifts and an annual auction at the club. *It is a 501(c)(3) not-for-profit corporation.*

CHILDREN'S PLAYGROUND

A children's playground offers toddlers and young children a safe and fun area for playtime.

RECIPROCAL

Club members enjoy reciprocal arrangements with numerous yacht clubs around the lake. HHYC welcomes yachts from other clubs on the same basis as they accommodate our club members. This ranges from free nights to first night paid with second and third nights free. This is a major benefit for cruising club members. Visiting boats from non-reciprocating clubs are charged a daily fee.
