

Henderson Harbor Yacht Junior Fleet Captain

The Junior Fleet Captain is responsible for developing, promoting, and conducting junior racing as scheduled in the HHWSP and HHYC calendar of events.

Specific Responsibilities Include:

1. Determining the type, conditions, courses, times, local rules, etc for each of the scheduled club events.
2. Promoting the Friday Night Races and HHWSP scheduled interclub regattas to encourage participation from club members and HHWSP students
3. Working with other club committees which may be involved or impacted by an event
4. Appoint the necessary committees to conduct each event such as race starting; finishing; finish time recording, winner determination, considering handicap; registration as required and hearing of any protests.
5. Determine the overall winners of the overall class champions
 - A. 420 Division
 - B. Opti Division
 - C. Overall Winner
6. Posting the results of each race on the HHWSP, Club bulletin board and website
7. Providing a copy of the results of each event to the chairpersons of Sailing Activities so that they can be included in the report to the Club Board for inclusion in the meeting minutes for membership information

It is intended that carrying out these responsibilities will be assisted by the Chairpersons of HHYC Sailing Activities, as well as, club member volunteers.
