

# HHYC Race Results - 2018

## Charlie Bangs Apple Blossom Memorial Race 2018

A pleasant southerly breeze graced the Charlie Bangs race this year, held June 30. The course was set to Lime Barrel Buoy and back to the Harbor. Four boats participated with Velocity Girl taking line honors and first in corrected time. Thanks to Art and Nancy Bronstein for their fabulous race committee work.

## 2018 Hospice Charity Cup Regatta

There was a good turnout for the Hospice Regatta on August 4 that included six boats from other clubs and four Typhoons. Seven spinnaker fleet boats, five white sails boats and the four Typhoons sailed separate courses under the direction of PRO Dave Poulin. HHYC boats managed to grasp second place in each of the PHRF fleets. Summary results are below; race-by-race results for the PHRF Division are at the end of this document.

Many thanks to Dave and Leah Poulin, Michael Ledoux, Tom Bryant, Marshal Reutlinger for their excellent work as race committee – the races went smoothly in all respects. Canaan Leonard found docks for all the visiting boats and Tom Tomlinson coordinated volunteers and registration, working with Kaetlyn Martel and her staff from Jefferson County Hospice. Many others helped with associated Hospice activities.

## Commodore's Cup

Six boats turned out for the Commodore's Cup on August 18 and were blessed with near perfect winds averaging 14 knots from the north east. The course was around Lime Barrel buoy and Rachel's Can (R"2"). Art Bronstein on Hambone took first place. The race was started by David Rice & Suzanne Gervais, and boats took their own finish time.

## Duck Island Race

Southerly winds of 18-20 knots sent the boats to Duck Island for the first time in five years. Six boats turned out – 2 in the Spinnaker Fleet and 4 in the White Sails Fleet. While Fast Attack took line honors in the Spinnaker Fleet, Velocity Girl took home both First Place and Back End of the Duck trophies. In the White Sails Fleet, Love Shack easily cruised to first place with winds just getting into her preferred range. Thanks go to Tom and Bill Bryant for a great job as Race Committee.

## Women's Challenge Cup 2

The first scheduled WCC (July 21) was cancelled due to high winds. Pleasant winds of 5-10 knots brought out three Typhoons for the WCC race on September 8. Three races were run with congratulations to Mary Ellen Woiler finishing first overall, followed by Nancy Bronstein and Nancy Siemon.

Thanks go to Steve Woiler for carrying out Race Committee duties.

## **Typhoon Fleet** (From HHYC Annual Meeting report)

(Thanks to Lee Cagwin for the following report) The HHYC Typhoon fleet has grown by two additional boats this year with a total of 10 Typhoons.

The Typhoon Fleet serves HHYC in several areas. It is an easy boat to sail allowing a sailor to single hand when lacking crew, but will provide enjoyment for a crew of 3 or 4. It is an inexpensive boat to own and maintain. It has added an additional race segment to the club calendar. It serves as an adult lesson boat for the Water Sports Program. It has been the reason for converting one social member to a boating member and has added 3 new boating members to the club in the past 2 years.

The current members of the fleet are a mix of recreational sailors and those interested in a combination of recreational sailing and racing. The Tuesday afternoon racing program was less active this year due to weather situations (too much wind and or thunderstorms), but will continue. Those competing in the Tuesday racing have had less interest in trophies than just enjoying the racing environment in a non-handicap situation. Race results for the Tuesday series are posted on the bulletin board. Typhoons have competed in traditional club races and will continue to do so. The Typhoon has been utilized for the past two years as the boat of choice for the Women's Challenge Cup. In June of this year 3 HHYC Typhoons were trailered to the Rappahannock River Yacht Club in southern Virginia for the semi-annual Typhoon Nationals with two days of racing and great social events. RRYC has a fleet of 50-60 Typhoons. Racing was divided into two fleets: a Corinthian Fleet and a competitive race fleet. Steve Woiler finished with a 4th place in the Nationals in the competitive fleet of 18 boats. Steve also traveled to Clayton in August to compete in an annual Typhoon regatta and for the second year in a row took first place. Typhoon racing will continue into October with racing on Saturdays.

All the reasons to own a Typhoon are listed on the bulletin board on a sheet titled "A Case for a Typhoon". Any of the owners are more than willing to answer questions and give you a chance to try the boats. Get involved, Get a Typhoon!

### **Other races not run:**

**Keg Classic** (July 14) canceled for light winds and participation

**Picksley Ramble** (August 11) canceled for light winds and no participation. The date conflicted with other significant inter-club sailing events.
